

APHORISMS

Chung van Gog

(version: September 22, 2022)

1. Do not be heedless
2. Engaging in many diverse activities is not necessarily fulfilling
3. Alchemy is real
4. Astronomy is the highest science
5. The earth is out of balance
6. Epistemology: see Herbjørnsrud (2021)
7. Your intuition is often wrong
8. Mathematics is the highest art
9. Pseudoscience is apophenia
10. Science is cartographic
11. Lift a stone and you see woodlice crawling everywhere
12. The world is a messy place
